

The turnip

One day Grandfather
planted a turnip

The turnip grew and
grew till it was very,
very big.

Grandfather went to
pluck it

He pulled and pulled but he could not pull it out.

So he called a Grandmother.

He pulled and pulled
but he could not pull it out.
So he called a Granddaughter.

They pulled and pulled but could not pull it out.
So they called a dog.

They pulled and pulled
but could not pull it out.
So they called a cat.

They pulled and pulled but could not
pull it out.
So they called a mouse.
